RE: Sunnyside Draft
Technical Analysis

Dear Mrs. Boucek:

Enclosed Please find fourteen (14) copies of the remaining response to the Draft Technical Analysis Response. The answers are in the form of a response to each stipulation in the analysis. The AVF response does not contain a vegetation map as requested by Simons, Li and Associates because of the time of year. If the map is needed by the Division it will be provided after the spring growing season.

Please fill free to call if you have questions.

Sincerely yours,

Douglas C Pearce
