Dr. Dianne Nielson, Director
Division of Oil, Gas and Mining
4241 State Office Building
Salt Lake City, Utah 84114

Dear Dr. Nielson:

Recently, we received a letter (enclosed) from Denise Dragoo, on behalf of Kaiser Steel Corporation, advising us of the ownership changes at Kaiser. The document lists the new management and Kaiser's address. However, many of the requirements of UMC 782.13 (Identification of Interests) and UMC 782.14 (Compliance Information) have not been addressed with respect to the new management.

The information required by the rules cited above is needed in order to make the required findings of UMC 786.19(a) and (i), and complete the Sunnyside decision document by May 15, 1984, as scheduled. Full distribution of this information as an amendment to the permit application package is required necessitating that seven copies of the material for each permit application to be amended be provided to OSM.

If you should have any questions, please contact Louis Hamm or Walter Swain at (303) 837-3806.

Sincerely,

Allen D. Klein

Dear Administrator Klein:

On February 29, 1984, Kaiser Steel Corporation underwent an acquisition merger by J. A. Frates, a Tulsa, Oklahoma investor group. As a result of this merger, new officers and a new board of directors have assumed management of Kaiser Steel Corporation. The name of the company, mailing address and other current corporate information on file with your agency remains unchanged.

On behalf of Kaiser Steel Corporation, we have informed the Utah State regulatory authority of this change in management.

We have listed the new management of Kaiser Steel Corporation on Attachment A. This attachment may be substituted for pages II-4 and 5 of Volume I, Chapter II of the South Lease Coal Mine Permit Application (Utah PRO-015-008). This change also affects the Sunnyside Coal Mine Permit (Utah ACT-007-007).

Very truly yours,

Denise A. Dragoo
