Subject: Request for Company Authority Documents or Reclamation Contract Re-sign, San Rafael-Kimball Draw Quarry, United States Gypsum Company, M0150075, Emery County, Utah

Dear Mr. Crawford:

The Division has received the small mine reclamation contract, in original form, with notarized signature of Dominie Dannessa. The Division has been unable to identify that Dominie Dannessa has signature authority for United States Gypsum Company. As a result, please take one of two options:

- Submit to the Division the appropriate authority documents identifying Dominie Dannessa has signature authority to enter into a reclamation surety contractual obligation
  **OR**
- Re-sign (and notarize) the enclosed small mine reclamation contract signature page. Return the original signed and notarized reclamation contract signature page to the Division attention Minerals Regulatory Program. The Division will accept any of the following signatories:
  1. JAMES S METCALF
  2. RICHARD H FLEMING
  3. STANLEY L FERGUSON
  4. EDWARD M BOSOWSKI
  5. DEAN H GOOSSEN
  6. KAREN L LEETS

Division approval of the reclamation surety cannot occur until these final step(s) are taken. The Division will take no further review action of the reclamation surety documents until the above-mentioned requirement is addressed. If you have specific questions or require discussion regarding the content of this letter, please contact Minerals Surety Coordinator, Beth Ericksen at (801) 538-5318.

Sincerely,

Daron R. Haddock
