RE: 2008 State Explosives License/Credentialing and Fee Directory
for Commercial High Explosives and Blasting Agents

Dear State Official:

On behalf of the Institute of Makers of Explosives, I want to thank you for contributing to the 2008 edition of the State Explosives License/Credentialing and Fee Directory for Commercial High Explosives and Blasting Agents. Enclosed you will find a copy of the directory. Your assistance in preparing this data was invaluable. We hope you will find the directory useful.

We intend to fully resurvey states every two years. In the meantime, we are putting this information on our Web page —www.ime.org—to enhance public access. If you discover errors or insufficiencies in the information about your state's license/credentialing program, please bring it to our attention by contacting Lauren Nilssen at lnilssen@ime.org or 202-266-4317 and we will update our Web display.

Again, thank you for your support in this effort.

Sincerely,

Cynthia Hilton
Executive Vice President
