RE: Draft Technical Analysis and
Decision Document
Contract # 83-5368
Kaiser Steel Corporation
Sunnyside Mine
ACT/007/007, Folder No. 2
Carbon County, Utah

Dear Mr. Fullerton:

Enclosed please find a copy of the above-referenced documents which the Division is sending to Kaiser Steel Corporation on this date. When the Company contacts the Division regarding a meeting to discuss the Draft Technical Analysis, we will let you know. This meeting will proably occur toward mid - February.

As you will note when reviewing the Division's amended DTA, there have been few changes to that submitted by Simons, Li and Associates. In general, I think your company has done a commendable piece of work, especially considering the complexity of the Sunnyside operation.

Should you have any questions or concerns please contact me.

Sincerely,

Mary M. Boucek
