Dear Mr. Feight:

As previously indicated by Mr. Gregory P. Williams of Van Cott, Bagley, Cornwall & McCarthy, Plateau Resources Limited has acquired the mining claims, leasehold interests and leaching facilities formerly owned by Hydro-Jet Services, Inc. and Hi-Plains Minerals Limited, situated in the Shootering Canyon area, Garfield County, Utah. After meeting with Mr. Ron Daniels of your office and discussing the notices of intent and reclamation plans previously filed by Hydro-Jet Services, Inc., we have deemed it advisable and do now by this letter withdraw the notices of intent previously filed concerning the above referred to mining activities. These notices of intent are more particularly described as follows:

withdrawn

Acquisition No.	Claims Affected
ACT-017-001	Lucky Strike 8-10 (includes millsites)
ACT-017-004	Ace 1-129
ACT-017-005	Copper Creek, Rat Nest, Trail Canyon
ACT-017-006	Lucky Strike, Buckeye, Yellow Point
ACT-017-007	Jet 1-64

In the near future Plateau will submit to you new notices of intent and reclamation plans covering its proposed mining operations and the continuation of the mining operations initiated by Hydro-Jet and/or Hi-Plains We will make every effort to have these files in your office prior to the July 1, 1977 deadline. We also anticipate taking advantage of the offer of Ron Daniels to meet with him in the preparation of these notices.

Sincerely,

JR Rookstool
