Gentlemen,

Please accept this letter, as an actual request for extension of time to complete the commitments made to the State of Utah Division of Oil Gas and Mining regarding areas to be reclaimed. The additional time required is minimal, and is only required due to circumstances beyond our control with respect to air travel between Salt Lake City and Spokane.

The commitments made by A.M.M.I. will be complete within thirty days of the original tentative deadline of 10-30-01.

Sincerely,

Trace Barney
