INSPECTION REPORT COMMENTS

Permit No. ACT/007/007

Inspection Date 3/25/87

Please number comments to correspond with topics on previous page.

4c) Sediment ponds and impoundments

The operator is currently working on construction stipulations for the CRT sediment pond and will soon have these out for bid. The operator feels they are on schedule for the 6/1/87 deadline to have both the CRT and SSSF sediment ponds constructed.

7) Coal processing waste

The course refuse pile was inspected and all activity is proceeding as approved in there plan.

16d Road Maintenance

The debris in the ephemeral channel under the bridge which crossed over to the Old Course Refuse Haul Road Sediment Pond, had been cleaned out. The bridge that was in place was taken out. The operator had a deadline of 4/15/87 to complete this work.
