Dear Mr. Bailey:

Re: Coal Exploration Program, BP Coal America, Inc., Kaiser Coal Corporation, B Canyon Reserves, CEP/007/007, Carbon County, Utah

The Division has received a copy of the coal exploration program from BP Coal America, Inc., including three exploration boreholes and attendant road construction for the B Canyon reserves area adjacent to the existing Sunnyside permit area.

The Division has reviewed the proposed plan, and has no comments or concerns at this point in time. It is my understanding that your office will assure proper reclamation is achieved for boreholes as well as all access roads.

Thank you for this opportunity to comment.

Sincerely,

Lowell P. Braxton
