Dear Mr. Monson:

Re: Extension of Cessation Orders CO-89-25-1-1 & CO-89-25-2-1
Sunnyside Mines, Permit No. ACT/007/007

Per our meeting on June 15, 1989, wherein Dr. Baumann presented his findings on the Grassy Trail Creek, SRS respectfully requests an extension on CO-89-25-1-1 and CO-89-25-2-1.

The purpose of this extension is to allow Dr. Baumann time to assemble his final report; to provide SRS time to modify the stream rehabilitation plan previously submitted on May 2, if required; and to remove the silt fences in Grassy Trail Creek adjacent to the rodeo grounds when we have received your approval.

SRS will also revise its 002 Pond Clean-Out Plan prior to month's end as discussed in our meeting.

SRS looks forward to your prompt action in this matter.

Sincerely,

Karl R. Houskeeper
