On April 1,1999 we received your Notice (U-77026) to conduct mining activities on the Blue Beauty # 28 (UMC 182661) mining claim in Section 27, T. 10 S., R. 6 W., Tooele County, Utah. The Utah Division of Oil, Gas and Mining has assigned this casefile number M/023/022.

The Blue Beauty # 28 mining claimant, Marjorie E. Thomas, expressed an interest in keeping the beryllium pit open for further exploration. On July 1, 2003 we accepted Marjorie E. Thomas's new Notice to continue further exploration on the subject mining claim area for a period of two (2) years. In addition, Ms. Thomas properly filed a cash bond for the Blue Beauty # 28 mining claim area with the Bureau of Land Management Utah State Office on June 18, 2003. The new Notice (U-77799) assumed financial responsibility for final reclamation on the subject claim area. We are therefore closing the subject casefile at this time. No further surface disturbance is permitted on the subject mining claim by Rancho Equipment.

If you have any questions, or require additional information, please feel free to contact Cheryl Martinez of my staff at (801) 977-4371.

Sincerely,
