Bill Tanner
Utah Supervisor
Mines Safety and Health Administration
1745 West 1700 South, Room 2040
Salt Lake City, Utah 84104

Dear Mr. Tanner,

I have enclosed the US Department of Labor Mine Safety and Health Administration Quarterly Mine Employment for January through March 1995.

Centurion sincerely apologizes for the late submittal of the company's first mine Employment report. Our former Tintic Project manager became seriously ill and was forced because of extremely poor health to resign from the company. In addition, the mine employment form was inadvertently placed in the incorrect PO Box in Eureka, Utah and Centurion's controller did not received the report until very recently at our corporate headquarters in Salt Lake City, Utah.

Centurion will make certain that this report will be submitted on a timely bases in the future.

Sincerely,

Barry F. Katona
General Manager
