Dear Mr. Jenkins:

Thank you for your phone call and e-mails on August 5, 2003, regarding the Solar Wind claims. We are enclosing a copy of the letter sent to John Holfert on June 27, 2003, revoking the Plans of Operations (Plans) for both the Solar Wind and RB claim sites. Mr. Holfert is considered the current operator for both the sites. In order for Utah Mineral & Fossil, Inc. to be considered the operator, you must, within 30 days of receipt of this letter: 1.) Bring the corporation into good standing with the Utah Department of Commerce, 2.) Fill out the enclosed Notices of Transfer and submit them to the Utah Division of Oil, Gas and Mining, and 3.) Submit reclamation bonds in the amount of $6000 for the Solar Wind site, and $1000 for the RB site to the Utah State Office (USO) of the BLM. Upon receipt of the bonds, we will release the $1200 bond currently held by the USO for the Solar Wind site to Mr. Holfert and withdraw the revocation of the Plans.

Enclosed is a letter from the USO with information about who to contact for information on submitting the bonds. If you have any questions, please feel free to contact Sheri Wysong at (435) 743-3124.

Sincerely,

Glen A. Mebdur
