Subject: Surety bond details enclosed &
Reclamation Contracts enclosed.
Request for extension.

Enclosed is the Time Account Detail I received from the Bank showing current balances of the CD Bonds in place on each of the following 3 claims:

Trilobite Fossil Lease 26068-A ✓
Treasure Chest (Dugway Geode)
Septarian ML27618

I am returning the contracts (enclosed) on the Trilobite Fossil Lease and the Septarian Nodules. I have not yet received a contract on the Treasure Chest Dugway Geode mine. I will get it signed, notarized, and returned as soon as I receive it.

In reference to our conversation on the phone, I would like to request an extension for the remainder of the surety bonds that needs to be added to the current balance. I would like to add the remaining funds due on each of my 3 bonds by March 5, 2007.

Please send the small mine reclamation contract on the Treasure Chest Dugway Geode mine.

Thank you,

Loy Crapo
