Mr. Robert Shields
Area Manager, Area 5
U.S. Fish & Wildlife Service
1426 Federal Building
125 South State Street
Salt Lake City, Utah 84138

Dear Mr. Shields:

Enclosed is one (1) copy of Eureka Energy Company's conceptual design, map, and explanation of their proposed Sage Point-Dugout Coal Mine in Carbon County, Utah. This information is marked Enclosure No. 1 and No. 2.

Of note to you is an excerpt from Enclosure No. 3, the Proposed Outline of Environmental Resources Information (30 CFR 783). The excerpt from this enclosure concerns the fish and wildlife resources information to be submitted to the Division as part of the mining application. As you know, with the proposed permanent program regulation MC 783.20, the Division determines the level of detail and areas of any fish and wildlife resources information to be included in the mining plan according to written guidance from management agencies.

Since your agency has responsibility for fish and wildlife or their habitat at this mine site, the Division hereby requests your written guidance on this matter. The Division is looking for a two week time frame for response on this consultation.

Please contact me should any questions or problems arise concerning this consultation.

Sincerely,

Mary Ann Wright
