RE: File Closure, Ecology Mining, Deer Trail Mine, S/031/005, Piute County, Utah

On January 18, 1994 Ecology Mining submitted a Notice of Intention to Commence Small Mining Operations for the Deer Trail Mine located in Section 3, T27S, R4W, and Sections 2 and 3, T28S, R4W, Piute County, Utah. The notice was never accepted by the Division as the project was going to be taken over by Unico, Incorporated.

On August 24, 1994, Unico, Incorporated submitted a notice of intention for the Deer Trail Mine which included that area not reclaimed by Ecology Mining. That notice was assigned file number S/031/003. After DOGM staff performed an inspection on October 21, 1998, it was determined that the area not assumed by Unico Inc. (file number S/031/003) has been satisfactorily reclaimed and the file for Ecology Mining's Deer Trail can be closed and retired from the Division records.
