Dear Mr. Fox:

Re: Extension for Submittal of the 1992 Annual Report, Bingham Canyon Mine, Copperton Concentrator UCD Modernization Project, M/035/002 & M/035/011, Salt Lake County, Utah

Thank you for your February 1, 1993 letter confirming my recent conversation with Don Deines regarding a timeframe extension for submitting Kennecott's annual reports to the Division.

The Division recognizes the complexity of Kennecott's activities conducted during 1992, and the magnitude of time required to assemble a complete report. Consequently, we will extend the deadline for receipt of the reports until March 1, 1993. We appreciate receiving notification of the delay and your commitment to provide the required reports in a timely manner.

Sincerely,

D. Wayne Hedberg
