RE: Sage Point Dugout Mine
ACT/007/009

Dear Chris:

Thank you for sending your report on Davidse buckwheat. It was done quite nicely and I enjoyed reading it. It also comes in handy since Tom Goubis of the Office of Surface Mining has made an inquiry concerning the species and its status due to it becoming an item of interest at another mine site. With your concurrence I am forwarding the report to Mr. Goubis.

I appreciate your help on reviewing the permit and look forward to your moving to Salt Lake.

Sincerely,

MARY ANN WRIGHT
RECLAMATION BIOLOGIST
