RE: NOV #N82-2-8-2
Blazon Company
CEP/007/009
Carbon County, Utah

Dear Mr. Smith:

Enclosed are two Notices of Violation of coal exploration performance standards that were discussed at length over the phone on October 25, 1982. Also enclosed is a memo on an inspection conducted on October 21, 1982 detailing the noncompliance situation at Blazon exploration sites B-1 and B-2.

Abatement of the violations requires completion of the abandonment procedures outlined in the approved Notice of Intent by no later than November 27, 1982. A member of the Division staff should be notified to be present while plugging the drill holes to ensure that the holes are properly sealed in accordance with the Rocky Mountain well abandonment requirements.

Please contact me if you have any more questions or any problems meeting the abatement deadline.

Sincerely,

SANDY PRUITT
FIELD SPECIALIST
