RE: Sage Point-Dugout Canyon Project
ACT/007/009
Carbon County, Utah

Dear Mr. Temnikov:

Thank you for notice that Sunoco Energy Development Company (Sunedco) will be the new owner-operator of the Sage Point-Dugout Canyon Project upon satisfaction of all governmental approvals and legal requirements associated with sale of the property, including coal lease assignments.

As we indicated during our meeting of February 22, 1982, the Division will proceed with its review as expeditiously as possible in an effort to issue an approval, hopefully sometime this spring.

The Division will continue to maintain all contact relative to the above operation with you until such time as you advise the Division differently.

Sincerely,

JAMES W. SMITH, JR.
