Dear Mr. Braxton:

California Portland Cement Company, a Division of CalMat Co., desires to complete the final reclamation in 1986 on the Hidden Valley Coal Mine in Emery County. To meet this schedule, we are submitting eight copies of the final reclamation plan for review by your staff. This current plan replaces the reclamation plan developed originally under the Interim Program and was formatted and written according to the 1986 guidelines.

We wish to express to you our appreciation for the cooperation of Mr. John Whitehead and his staff in developing this final reclamation plan. All written comments and telephone conversations should be directed to Mr. John W. Rains, Chief Mining Engineer. His address is CalMat Co., P. O. Box 947, Colton, CA 92324, telephone (714) 825-4260.

Sincerely,

Ronald E. Evans
Executive Vice President,
General Manager
Cement Division
