The attached review is a **draft** copy of the OGM review of your latest submittal received on July 15, 2016. The edited copy of the review will be finalized, signed and sent out as soon as possible. Certain portions of the review are incomplete at this time, due to either lack of information, incomplete information, or inconsistent data in the NOI.

The following areas of the permit have not been reviewed at this time:

- Surety Calculation

All of the above sections will be reviewed in your finalized, signed review.

It is the goal of OGM to send out the most thorough and detailed review possible as per R647-4-101. 1.

If you have any further questions please don't hesitate to call me at 801-538-5257 thx-lah

West Bountiful, Utah 84087

Subject: Third Review of Notice of Intention to Commence Large Mining Operations and Directive to Respond, Utah Sand & Gravel, North Salt Lake Mine, M/035/0051, Utah County, Utah

Dear Mr. Smith:

The Division of Oil, Gas and Mining has reviewed the referenced Notice of Intention to Commence Large Mining Operations (Notice) which was received July 15, 2016. The attached comments will need to be addressed before tentative approval may be granted.

The Notice is determined technically****. The Division will ask that you submit the following:

- New page 21 - signed and dated
- *****

Upon final approval, The Divisions copy will be stamped approved and you will receive a digital copy for your records.

Please submit your response to this review by September 15, 2016.

The Division will suspend further review of the Notice until receiving your response to this review. Please contact the lead for this project Leslie Heppler, at 801-538-5257 or me at 801-538-5261 if you have questions about the review or if you would like to schedule a meeting to discuss the comments. Thank you for your cooperation in completing this permitting action.

Sincerely,

Paul B. Baker
Minerals Program Manager
