Dear Mr. Haddock:

In accordance with the responsibilities enumerated in 30 CFR 705, the State Regulatory Agency (SRA) has to submit the following annual reports to OSM:

1. **List of employees who do not perform duties under SMCRA:** (See 30 CFR 705.4(a)(6)). The 2012 list was received on February 4, 2013. Your agency has fulfilled its requirements.
2. **State Summary Report:** According to 30 CFR 705.4, the Head of the SRA is responsible for submitting a summary report of your employees required to file OSM 23 reports. OSM Ethics also received the state summary report on February 4, 2013; therefore, your agency has fulfilled this reporting requirement.
3. **OSM 23 for the Head of the SRA:** The Head of the SRA is required to file his/her personal OSM 23 with the OSM Director as enumerated in 30 CFR 705.15(a). OSM Ethics received the 2012 OSM 23 report for John Baza. This report has been reviewed and approved. Mr. Baza has fulfilled his regulatory requirements.

Thank you for your compliance. If you have any questions or need further assistance, please do not hesitate to contact me.
