Subject: Review of Full Bond Release and File Closure Request, Staker Parsons Companies, CMC Point West Deco 1, S/035/0023, Salt Lake County, Utah

Dear Mr. Dalley:

On January 29, 2016, the Division of Oil, Gas and Mining received your request for a full release of the reclamation surety and file closure for the CMC Point West Deco 1 mine. The Notice of Intention to Commence Large Mining Operations (LMO) for the Beef Hollow mine, file number M/035/0042, has yet to be approved. Before the Division can process this request, you will need to:

1) Complete the LMO approval process.
2) Re-submit the Application for Site and/or Bond Release found on the Division's Web site at www.ogm.utah.gov/minerals.

Once the Division receives the re-submitted Application for Site and/or Bond Release, it will inspect the site in a timely manner and respond to your request. If you have any questions or concerns regarding this letter, please contact Leslie Heppler at 801-538-5257.

Sincerely,

Paul B. Baker
Minerals Program Manager
