Summary for all Mines in Utah

Dear Mr. Blubaugh:

Please find enclosed the requested summary of costs for reclamation work estimates agreed upon between Atlas and Ms. Grubaugh-Littig of the Division during the months of January and February, 1983.

Hoping that new contract negotiations may be arranged in time for presentation to the Board at the April session, I suggest that we set up a meeting to discuss the recent change of events at the March Hearing and to find appropriate and satisfactory contract language at your earliest opportunity.

Sincerely,

Thomas N. Tetting
