Dear Mr. Derek,

Re: Permit Transfer of Atlas Mines, Rim-Columbus, Pandora, Calliham, M/037/006, M/037/012, M/037/006, San Juan County, Utah
023

In response to your request for information concerning the transfer of the above mines to Umetco, I am providing you with the following information.

1. Enclosed bonding forms and Division Surety Policy Guidelines.
2. A copy of the Division's recent bond estimates for each of the sites that you will be transferring.
3. I am returning the original Notice of Intentions and the Mining and Reclamation Plans to you. The Division already has copies of these, and you will need them for your records.

I have the permit transfer forms which you sent. These are all in order. The acreages will change somewhat for bonding. The bond forms need to be completed at your end. This is all that remains for Board approval. The Reclamation Agreement form, which I spoke of over the phone, does not have to be filled out. I did not include one of these with this information. Please use the Division bond and acreage estimeates for bonding.

Thank you for your attention.

Sincerely,

Holland Shepherd
Reclamation Specialist
