Re: Errata Sheet and Pages for Notice of Intention to Commence Large Mining Operations/Plan of Operations (NOI/PO) for the Tony M Mine, Garfield County, Utah

Dear Ms. White:

Please be advised that International Uranium (USA) Corporation has changed its name to Denison Mines (USA) Corp. to coincide with a change of name of its parent company from International Uranium Corporation to Denison Mines Corp., resulting from the merger of International Uranium Corporation with Denison Mines Inc. Other than this change of name, the ownership, management and assets of International Uranium (USA) Corporation (now Denison Mines (USA) Corp.) remains substantially unchanged.

On November 16, 2006, International Uranium (USA) Corporation (IUSA) submitted two copies of the Notice of Intention to Commence Large Mining Operations/Plan of Operations (NOI/PO) for the Tony M Mine, Garfield County, Utah. Subsequently, it was found that three pages contained information which required correction. Accordingly, transmitted herewith are two copies of Errata Sheets together with replacement pages for Page 1, 11 and 12. The Sheets describe the nature of each change, and the replacement pages contain only the described changes. We request that you would please insert the replacement pages in Volume I of the copies of the document transmitted to you on November 16.

If you have any questions regarding this request, I can be reached at (303) 389-4160.

Yours very truly,

DENISON MINES (USA) CORP.

Harold R. Roberts, P.E.
Executive Vice President – U.S. Operations
