Hello All :

I am requesting a response to a local citizen complaint, from a man named Jon Sundstrom that started 2 years back over a subsidence issue, and has been monitored by DOGM since. Mr. Sundstrom in the past few weeks has grown increasingly impatient and threateningly violent. His view of me personally and Consol and DOGM as a whole has grown to be intolerable. His threats as of today involved \$500 million lawsuit, a drafted letter to the President of the United States and other personal items. Any suggestion for a professional reply to this individual would be greatly appreciated.

Thanks

Russel Jensen
