Subject: Division Directive to update Notice of Intention, Mountain Valley Stone, Inc., Browns Canyon Mine, M/043/0019, Summit County, Utah

Dear Mr. Hicken:

Thank you for the submittal of the interim bond in the amount of $169,700 for 26 acres of disturbance for the Browns Canyon Quarry. There are deficiencies in the Notice of Intention to Commence Large Mining Operations (Notice) that need to be rectified.

By December 31, 2013, you are hereby directed to amend the Notice to reflect current operations and disturbances.

As part of updating the reclamation surety, you will need to sign a modification to the reclamation contract. Penny Berry has sent the required modification; please return it no later than August 19, 2013.

Failure to provide the amended Notice and update the reclamation contract as directed could result in enforcement action.

Please contact Leslie Heppler at 801-538-5257 or me at 801-538-5261 if you have any concerns or questions about this letter. Thank you for your cooperation.

Sincerely,

Paul B. Baker
Minerals Program Manager
