Re: Revised Submittal
Topsoil Borrow Area "A"

Dear Pete:

Based on discussions with DOGM staff, U.S. Fuel is herein submitting a revised amendment for Borrow Area "A".

All of the DOGM comments and concerns have been addressed; however, the main change has been in the requirement to replace the A and B horizons on the borrow area. Due to our tight time constraints on this project, we have agreed to this provision at this time; however, U.S. Fuel Co. would like to go on record as opposing this requirement and indicating its plan to request this provision be reviewed and/or modified after approval.

Once again, we are anxious to start this project, and look forward to your approval at the earliest possible date.

Sincerely,

Michael P. Watson
