Re: Clarification of Requests for Legal Area Descriptions and Permit Areas to Respond to Division Orders, PacifiCorp, Trail Mountain Mine, ACT/015/009-DO00A, Des-Bee-Dove Mine, ACT/015/017-DO00A, Deer Creek Mine, ACT/015/018-DO00A, Cottonwood/Wilberg Mine, ACT/015/019-DO00A, Outgoing File

Dear Mr. Semborski:

I am writing this letter in clarification per our meeting at your offices on February 17, 2000 to discuss the legal areas at the PacifiCorp mines. I have discussed this matter with Mary Ann Wright, Associate Director, and it is the understanding of the Division that to meet the requirements of the Division Orders, corrections of the legal descriptions and permit areas, as currently approved, must be submitted.

There was some discussion of amending the permit areas. Changes to the permit areas must be handled through the amendment process.

I discussed this situation with Scott Childs, on February 24, 2000 and am writing this letter for clarification. If you have any questions, please call me.

Sincerely,

Pamela Grubaugh-Littig
Permit Supervisor
