Mr. Cleon B. Feight, Director
Division of Oil & Gas Conservation
1588 West North Temple
Salt Lake City, Utah 84116

Dear Mr. Feight:

I thought you might be interested in the feature article in our Company Magazine entitled SAND WASH - TOSCO'S QUEST FOR SHALE. The article beginning on page 17 describes the work we have been doing to develop our state oil shale leases south of Vernal. If we can answer any questions involving the activities at Sand Wash please let us know.

Yours very truly,

R. Glenn Vawter
