Dear Mr. Stevens:

Re: Annual Report for the Year 1992

The enclosed annual report(s) for the mine(s) referenced below should be completed and returned to this office by February 1, 1993.

Mine No.	Mine Name
S/047/051	Rainbow #1 Claim

This mining operation has never been permitted with this Division. Permit application forms were sent to you by this Division and the Bureau of Land Management in 1989. We are enclosing another permit application along with the annual report form and need both returned to this office.

This report is required by Rules R647-003-116 and R647-004-121 of the Division's Amended and New Rules, Minerals Reclamation Program, effective December 1, 1988. We look forward to the receipt of your permit application and the completed 1990 annual report form. Thank you for your cooperation and attention to this matter.

Sincerely,

Joelle Burns for
