Dear Wayne:

I have not been able to get all the paperwork done for some NOI revisions that are currently due at DOGM.

The revised NOI for the Rosebud Mine, M/003/026, Box Elder County, Utah was due at DOGM on June 9, 2000. It was hand delivered to DOGM on June 15. An original of the signature requirement for this document is included with this letter. Please replace the blank signature requirement and the faxed copy of the signature requirement with this original.

The revised NOI for the Heber Mine, M/051/001, Wasatch County, Utah was due on June 16, 2000. I anticipate this will not be turned in to DOGM until June 27. Addresses and a plat map for the adjacent property owners were hand delivered to DOGM on June 15.

The revised NOI for the Cotton Thomas Mine, M/003/024, Box Elder County, Utah will be due at DOGM on June 23. I anticipate the revised NOI will not be turned into DOGM until June 30.

In light of continuing demands we have at this time concerning the Rosebud Mine; and the Fish Creek Mine in Idaho; I do not think we will be able to complete the paperwork earlier than these dates.

Sincerely,

Lon Thomas
