RE: Reclamation Surety
Silver Reef Mine
ACT/053/002
Washington County, Utah

Dear Mr. Glazier:

This letter is a confirmation of our telephone conversation this morning regarding the reclamation surety that must be posted for 5-M Corporation's Silver Reef operation. The May 1, 1984 letter stated that the surety must be posted by May 15, 1984. This date has been extended to May 30, 1984 and is final. As was mentioned before, if it is not posted by this date, the Division will issue an Order to Show Cause to appear before the Board of Oil, Gas and Mining, requesting that 5-M Corporation cease all mining activity, post the required reclamation surety and perform complete and immediate reclamation of all affected areas.

If you have any questions, please feel free to call Mary Boucek or myself.

Sincerely,

James W. Smith, Jr.
Administrator
Mineral Resource Development
and Reclamation Program
