Re: Second Written Request for Annual Report for the Year 1995

Dear Mr. Feller:

As of this date, we have not received your annual reports for your seven Utah mines, located in Juab, Millard, Tooele and Washington Counties. You advised us in a phone conversation held March 15th that you had been put behind because of a fire, but you would be sending in the reports right away. We send our condolences to you for your fire loss and hope that everything is getting back in order for you. Are you in a position now to submit the reports? Receiving late reports presents a hardship upon this Division in preparing timely and accurate reports that have to be sent to other agencies which ultimately end up in the Governor's office.

Please return the annual reports no later than April 15, 1996 if at all possible. Please contact me if you cannot meet this deadline. If you need additional forms, please contact me and I will fax a copy to you which you can copy as needed. Please contact me if you cannot meet this deadline or have questions or concerns in submitting the report. Thank you for your cooperation and prompt attention to this matter.

Sincerely,

D. Wayne Hedberg
