Hi Joe,
This is a reminder to provide the Division with site information. Back on June 11, the Division sent a letter to GSLM approving the dike reclamation plan with some stipulations for submitting data requested by the Division to assist in recalculating the bond. The date for providing the requested information is tomorrow, August 1, 2014.
If you require more time beyond the August 1 deadline, please respond to this email with an extension request.
Thanks for your attention to this matter,
