2. Revised Application for Permit Revision and Incidental Boundary Change (November 1, 1989).

This information is submitted as per a telephone conversation with Rick Summers, Senior Staff Hydrologist and Phil Reinholtz, OSM representative on October 29, 1990. It is our understanding that this information is to be used solely for the resolution of TDN X90-02-107-12 concerning the refuse outslopes at the Wellington Prep Plant site.

It is anticipated that this information will satisfactorily address OSM's concerns relative to this matter. Please feel free to copy any information necessary and return the volumes to the Division when the review is completed.
