Re: Your "Request for Discovery" CO No. C96-39-1-1

Dear Denise:

I am in receipt of your Request for Discovery dated February 21, 1996. As you are aware, there is no discovery procedure per se under the rules governing the administrative process prior to the time a matter is noticed formally before the Board.

However, I recognize your desire to obtain information that is presently available concerning the above-referenced CO. I am, by copy of this letter, requesting that the Records Librarian for the Division conduct a review of the Division's public file for the Cessation Order for completeness. I am further requesting that, upon finalization of that review, you be contacted so that you may have the entire public file copied at your convenience.

Please contact me if you need anything in addition to this.

Very truly yours,

James W. Carter
Director
