Re: 2nd Extension of Deadline for TA Response, Nevada Electric Investment Company, Wellington Preparation Plant, ACT/007/012, Folder #3, Carbon County, Utah

Dear Mr. Collins:

On April 2, 1997, the Division received your request for an extension of time to respond to the December 23, 1997 Technical Analysis. This is the second extension of this required submittal and it is with some reservation that your request for an extension to respond to the Technical Analysis is hereby approved. You now have until April 30, 1997, to provide the required information. Any extensions beyond this date will only be considered under the most extreme circumstances.

Again we remind you that although Earthco may be preparing the information, all permitting information must be submitted by the Permittee which is NEICO. Thanks for your help in completing this action.

Sincerely,

Daron R. Haddock
