Re: EARTHCO - Clean Copies of the New Proposed Borrow Area Minor Amendment for the Wellington Preparation Plant, ACT/007/012 **97I**

Dear Daron:

Per your approval letter dated February 18, 1998, attached are three clean copies of Pages 2 and 2a, Section 7.60, of this approved amendment. After speaking with Paul Baker, he requested only these two pages. He had clean copies of the remainder of all addendums of this amendment.

Thank you and your staff for your cooperation on this amendment. Should you have any questions, please call me at 943-4144.

Very truly yours,

Tim
