Re: Assessment Conference on Notice of Violation (NOV) N97-41-4-1, Nevada Electric Investment Company, Wellington Preparation Plant, ACT/007/012, Folder #5, Carbon County, Utah

Dear Mr. Traweek:

On August 28, 1997, you requested that an Assessment Conference on state violation N97-41-4-1 (the NOV) be scheduled. An Assessment Conference was scheduled and initiated on October 8, 1997. That conference established that the NOV had not been abated at the time of the conference, and the Assessment Conference Officer declined to hold a discussion of the proposed assessment until abatement of the NOV had occurred.

I am now informed that the abatement of N97-41-4-1 occurred February 19, 1998, and am offering you an opportunity to request a date for completion of the originally scheduled Assessment Conference. To preserve your right to the Assessment Conference process, please contact Vicki Bailey (801) 538-5304 within 15 days of receipt of this letter to schedule a date and time for completion of this conference. Should you decline the conference, the proposed assessment of $500.00 must be paid to the Division within 30 days.

Sincerely,

Lowell P. Braxton
