Dear Mr. Glasson:

The Utah State Historic Preservation Office received the above referenced letter and map on September 9, 1992. It appears that most of the area that you are interested in has been surveyed with no sites located. Our office would recommend that the possibility of locating sites in the new project area is limited.

If you have questions or need additional assistance, please contact me at (801) 533-7039.

Sincerely,

James L. Dykman
