Gentleman:

Enclosed are the monthly discharge reports for the Deer Creek, Des-Bee-Dove, Trail Mountain, and Wilberg mines and the Hunter Coal Preparation and Blending Facility for the month of October 1999.

Please be advised that the Deer Creek Mine (UPDES # UT0023604-001) exceeded the limitations on Total Suspended Solids (TSS) with a 30 day average value of 33 mg/L. Also, the Trail Mountain Mine sediment pond discharge (UPDES # UT-0023728-001) has exceeded the limitation on TSS with a 30 day average of 26 mg/L. As mentioned in last month's report, a pond survey confirmed that the sediment pond needed cleaned. Cleaning operations began during the second week in October.

If you have any questions concerning this report, please feel free to call Dennis Oakley at 687-4825 or Chuck Semborski at 687-4720.

Sincerely,

Carl Pollastro
Technical Services Manager
