Gentleman:

Enclosed are the monthly discharge reports for the Deer Creek, Des-Bee-Dove, Trail Mountain, and Wilberg mines and the Hunter Coal Preparation and Blending Facility for the month of July, 2001.

There were no reported exceedances to permit limitation values this month. Water has been confirmed discharging (7/9/01) from the relocated discharge point in the Cottonwood/Wilberg Mine (UT-0022896-001) at the TMA portal. Your office was contacted and informed of this discharge. Mr. Jim Hawks said PacifiCorp would not have to sample during the month of July, but should start sampling in August.

If you have any questions concerning this report, please feel free to call Dennis Oakley at 687-4825 or Chuck Semborski at 687-4720.

Sincerely,

Carl Pollastro
Technical Services Manager
