RE: Permit Renewals
Beaver Creek Coal Company

Dear Mr. Smith:

I would like to take this opportunity to thank you and your staff for the prompt and professional manner in which our C.V. Spur and Gordon Creek 2,7 & 8 Mine Permit Renewals were handled.

Your comments and willingness to work toward solutions reflect both a dedication of purpose and a commitment to protection of the environment.

We are presently in the process of repermitting our Trail Mountain No.9 Mine, and this will be followed by our Huntington No. 4 and the Gordon Creek 3 & 6 Mine Permits. I'm looking forward to working with you again on the remaining permit renewals.

Respectfully,

Dan W. Guy
