Hello,

The Division is in the process of working on the permit renewal for Cottonwood. An OSM AVS report was generated on March 6, 2019. An outstanding violation was listed with the linking entity being Walter Scott Jr.

This violation will need to be cleared from the AVS prior to issuing your renewal permit.

My contact at OSM is Linda Keene at lkeene@osmre.gov.

I have attached the Evaluation Report for your information. OSM provided a short explanation of the violation at the end of the report.

Thanks!

CAUTION: The Applicant/Violator System (AVS) is an informational database. Permit eligibility determinations are made by the regulatory authority with jurisdiction over the permit application not by the AVS. Results which display outstanding violations may not include critical information about settlements or other conditions that affect permit eligibility. Consult the AVS Office at 800-643-9748 for verification of information prior to making decisions on these results.
