Re: Stipulation Responses
Five Year Permit Renewal
Gordon Creek 2,7 and 8 Mine
ACT/007/016; #2
Carbon County, Utah

Dear Ms. Littig:

Enclosed are 5 copies of the Beaver Creek Coal Company's response to Stipulations UMC 817.23-(1,2)-(HS), UMC 817.43-(1)-(DW) and UMC 817.44-(1)-(DW), as requested in the November 20, 1989 letter from Rick Smith.

These copies were scheduled to go out on December 21, 1989; however, due to the Christmas week shutdown and year-end work load, the submittal was delayed. I hope you find everything to your satisfaction.

All pages and plates are numbered and should replace corresponding numbers in the plan.

If you have any questions, or need any further information, please let me know.

Respectfully,

Dan W. Guy
