Subject: Invitation to Attend Phase III Bond Release Inspection, Tank Seam Access Road, Castle Valley Mining, LLC, Bear Canyon Mine, C/015/0025, Task ID #4947

Dear «SALUTATION»:

You are invited to attend the Phase III bond release inspection on September 9, 2015 at the Bear Canyon Mine. The Division of Oil, Gas and Mining has invited you based on your potential interest in the mine site.

A Phase III bond release inspection for the reclaimed tank seam access road consisting of 5.62 acres of the Bear Canyon Mine will commence on September 9, 2015 at 10:00 a.m. at the Bear Canyon mine office.

The reclaimed tank seam access road consists of approximately 5.62 acres and is located in Emery County, Utah, in Township 16 South, Range 7 East, Section 26, SLB&M. Castle Valley Mining, LLC completed reclamation work in 2005. The Division granted Phase II bond release on January 13, 2014. Phase III bond release will return all of the remaining bond monies and will release the operator of further responsibility on this 5.62 acre area.

All relevant features at the site should be fairly accessible although there will be some amount of hiking required. Please bring hiking boots, water, snacks, hat, sunscreen, rain gear, and jacket. If you have any questions, please feel free to call me at (801)-538-5325.

Sincerely,

Daron R. Haddock

Daron R. Haddock
Coal Program Manager
