Re: Payment of Approval Order Fee - Notice of Intent for New Coal Handling Facility, and Waste Rock Disposal Site
Carbon County CDS B

Dear Mr. Pappas:

This letter is to inform you that the above referenced project was up from public comment on June 9, 1991. All comments that were received, if any, have been addressed and your Approval Order (AO) can be issued. However, we must first receive the AO fee of $1500.00.

I have enclosed a copy of the invoice. Please retur it with your payment. Please note that Section 3.1.1, Utah Air Conservation Rules, requires an AO be issued by the Executive Secretary, Utah Air Conservation Committee, prior to initiation of construction or modification.

Thank you for your cooperation in this matter.

Sincerely,

Cheery Love
